In calculating point totals under the COVID Exception, each competition in the calculation must be a separate and distinct competition, Members may not count the same competition two (2) times, except if the Member has already satisfied the four (4) point threshold as of July 1, 2020. Members that have satisfied their four (4) point threshold as of July 1, 2020, may re-start their calculation for the 2020-2021 Skating Year, and may include in the calculation a competition such Member included in

such Member's prior calculation if that competition occurs after July 1, 2020. The COVID Exception applies only to the 2020-2021 Skating Year.

Except as set forth above, for the 2020-2021 skating year, all Members who are not eligible with the above-noted exception may still qualify for the Competition Team, if the Member satisfies the point requirements between July 1, 2020 and June 30, 2021. Given the current pandemic, the Board of Directors of the SAFSC may (but shall not be required to) consider additional calculation exceptions should cancellations or closures occur during the Skating Year.

Only USFS Sanctioned Competitions will be counted in the point calculation for each Member. Participation in Fall Fest, Skate into Spring or other local rink hosted competitions will not be counted in the point calculation. Alamo Skate will be included in the point tally.
