Discussion

- Fall Fest debrief
- Testing
 - Can we post all Friday test slots at once?
 - Would be much more helpful for coaches to coordinate and plan test slots
 - Is it appropriate for Board members to sign up for slots on behalf of coaches?
 - Gives the appearance of favoritism
 - Specifically says “for coaches only”
 - Request to remind coaches that skaters should only get two tries for test filming
 - Concern about the impact of testing on non-testing Friday morning skaters
 - They get less value for their money
- It was brought to our attention that some nonmember adult skaters thought that the *club* is limiting people to filming tests on Club Ice instead of the rink
- Skate Vida in Austin having open house this coming weekend
 - Non-club affiliated, through a rink
 - Offers Saturday camps
- Perhaps Hank would be open to acquiring a stationary harness for the rink??
 - Sheila Thelen comes to Austin sometimes, maybe we she would come to SA?
